"i solve problems first  
then *i do design*"

## ABOUT ME

I'm a Ui/Ux - Developer living in Jaipur India.  
I like to make cool and creative designs, regardless of  
what medium I'm working in.

I have 5.5 Years experience in Ui/Ux Developer.

A bright, talented, ambitious and self-motivated web developer with a strong technical background who possesses self-discipline and the ability to work with the minimum of supervision. Able to play a key role throughout a sites development to ensure maximum accessibility, customer experience and usability. A good team player who thrives on creating engaging creative solutions, is deadline orientated and has the ability to produce detailed technical specifications from client requirements.
