CAREER OBJECTIVE

- Looking for a challenging role, Where I can use my skills and capabilities through sincere dedication for a successful career.

EXPERIENCE:

- Jumbotail Technologies Bangalore – Catalog Associate, Process Associate Mapping (Oct 2021 to Jan 2024)

WORK PROFILE:

ROLE AS AN CATALOG ASSOCIATE & PROCESS ASSOCIATE:

- Here we are running our own J24 stores along with Amazon, Flipkart and Shopify, I worked on the accumulating the product Information of every brand and doing cataloging for that product and adding the Correct MRP by applying offers.
- Gathering the information of every product and transferring it into excel sheets, once verifying the details and information we will post in the company website or app about details of every new product to online customers.
- Ground team will do Catalog by capturing the images of product using Some Bradman application mostly based on invoice copy once they update the required images and information, we will get a notification so we will create new unique information, MRP and offers and update in our website.
- Tax update on every product based on the products category, Checking the issues raised by customers and other internal, external teams.
- Sharing the reports to Team leads, Managers by creating charts, pivot table, Graphs by using Power Bi, Excel.
- Checking the invoices and verifying it properly once the qc is fine, we will send information to finance team for accounting the bills to vendors.
- Always connected with store team and assuring the work flow going properly or not.
- Every data is stored in Microsoft tools and google tracker sheets and also providing the training for new joiners and making them to understand of various formulas and report which came across in Microsoft Excel.
